This morning I want to give a shout out to [Sonia Jacobson-McClellin](#)!! The loan process was streamlined and closed in less than 30 days!! Her and her team, Karen Bonner, [Susan Peters](#) and [Bill Crosson](#) make sure your clients are given top notch service. The back story though is the truly amazing part. We have been working with them for over 2 years to line them up to purchase. Though they had many challenges we never gave up on their dream to own a home again. [Tashia Key](#) was also a huge team member in their process. Better credit means better loan process. So if you are looking for the best all around real estate team give Sonia a call!! The first step is getting a lender letter!! It's totally free to find out if you qualify!! After that we can hit the town looking for your new home!! What are you waiting for? Call now!!
